PTK Ranch LLC (PTK) offers horseback riding lessons to Vision Charter Academy (VCA) Students as part of their learning program for an extracurricular class. PTK bills VCA and any remaining balance not paid by VCA will be the responsibility of the Student and/or Parents/Guardians.

The first initial lessons are focused around safety and respect of and around horses, we do not “jump in the saddle” for the sake of both horse and rider. I require a signed Hold Harmless Agreement before we begin on the first day.

* Prices include the use of PTK Ranch's horses and equipment. *
